

**Sale Name:** December 15th Containers, Equipment, Attachments, Tools, ETC.

**LOT 133 - 2024 Wolverine 72" Skid Steer Box Broom Sweeper W/ 24 Gallon Water Tank**

**Description**

This broom effectively sweeps dirt into the attached bucket and then easily empties for easy cleanup. Direct drive design with replaceable drive assembly allows forward and reverse operation. The motor is protected while allowing for easy maintenance. The solid bucket provides long-term performance. High speed lift ensures that the back of the bucket does not drag on the ground. Easy water replacement; no need to disconnect the hydraulic hoses. The Machine comes with a 24 Gallon water tank and 4 dust removal nozzles.
