LOT 146 - LandHonor Skid Steer Bale Spears (New/Unused)

Description

The Bale Spears can be attached to CTLs, Skid Steers, or Tractor Loader Arms fitted with a skid mounting plate. The bale spears are built tough and dual spear design. This design allows for movement of large bales with greater speed and stability while using a skid steer. These bale spears are designed to lift, transport, and stack round or square bales of hay or other organic matter.
