LOT 290 - Mini Skid-Steer Rotary Tiller (New/Unused)

Description

Mini Skid Steer Tiller – Compact Soil Preparation for Landscaping and Garden Projects

The **Mini Skid Steer Tiller** is a powerful and efficient attachment designed for breaking up soil, mixing in compost, and preparing seedbeds with precision and ease. Built to handle tough ground conditions in tight or narrow spaces, this tiller is ideal for landscapers, property owners, and contractors working in gardens, lawns, and small planting areas.

Key Uses and Benefits:

- Loosen compacted soil for planting or turf installation

- Mix in fertilizer, compost, or soil amendments
- Prepare garden beds, flower beds, and landscape areas
- Navigate tight spaces and narrow rows with ease
- Save time and labor compared to manual tilling or walk-behind equipment

Designed for maximum maneuverability and powered by your mini skid steer's hydraulics, this tiller delivers consistent, deep soil cultivation—making it a must-have for efficient landscape preparation and soil conditioning.
