

**Sale Name:** Santa Maria - August 10th Containers, Vehicles, Equipment, Tools, Materials, Recreational Goods

**LOT 448 - Forklift Telescopic Boom W/11ft Extension (New/Unused)**

**Description**

**Forklift Telescopic Boom with 11ft Extension – Versatile Lifting and Reach for Material Handling**

The **Forklift Telescopic Boom with 11ft Extension** is a durable, heavy-duty attachment designed to transform a standard forklift into a versatile lifting tool capable of reaching elevated or hard-to-access areas. With a telescoping reach up to **11 feet**, this boom is ideal for safely lifting and placing loads such as trusses, beams, equipment, and other materials on job sites or in warehouses.

**Key Uses and Benefits:**

- Extend forklift reach for overhead lifting or material placement
- Ideal for loading/unloading trucks, setting trusses, or lifting equipment
- Heavy-duty steel construction for demanding industrial or construction environments
- Adjustable boom length provides flexibility for different tasks
- Integrated lifting hook for secure load attachment

This telescopic boom offers increased reach, safety, and functionality—making it a valuable solution for contractors, riggers, and material handlers who need more from their forklift.

**Quantity: 1**
