LOT 301 - Mini Skid-Steer 4-in-1 Bucket (New/Unused)

Description

Mini Skid-Steer 4-in-1 Bucket – Versatility for Any Jobsite

The Mini Skid-Steer 4-in-1 Bucket is a multi-purpose attachment that combines four key functions into one tool: dozing, digging, grappling, and backfilling. Its clamshell-style hydraulic design allows the operator to open and close the bucket for grabbing materials or dumping with precision, making it an ideal choice for contractors, landscapers, and property managers.

Key Uses and Benefits:

- Dig and load materials like soil, gravel, or sand
- Use as a dozer blade for grading, leveling, and pushing

- Open the bucket to clamp and carry logs, debris, or irregular items
- Spread and backfill material with controlled dumping
- Increased productivity without changing attachments

Built for compact spaces but packed with functionality, the Mini Skid-Steer 4-in-1 Bucket is a valuable addition to any equipment fleet that demands flexibility and efficiency on every job.
